A ONE-NAME STUDY

Norfolk, England – Baptisms – Database: <http://tinstaafl.co.uk/nbp/index.htm> Norfolk Baptism Project 1813 to 1880

This index of baptisms have been downloaded from <http://tinstaafl.co.uk/nbp/index.htm>. They are a list of translations done by "Tinstaafl". Tinstaafl stands for 'There Is No Such Thing As A Free Lunch' and is a pseudonym to allow the anonymity of the author. The period of this database ranges from 1813 to 1880 and he/she chose this range for two reasons:- 1) The records are generally written in a modern hand and in a tabular format and

2) Although civil registration was introduced in 1837 it did not become compulsory until 1875 and many, Many Family Historians become stuck with ancestors born after civil registration commenced but who's birth was not registered. This project is still in progress and "Tinstaafl" is doing an amazing job – they are currently working on transcripts for Cockley Cley and more will be added as and when they are available. Add this website to your bookmarks – it is a wonderful resource. <http://tinstaafl.co.uk/nbp/index.htm>
