

Wharton Family History

A ONE-NAME STUDY

DOCKING – Norfolk Birth Registration Database: General Register Office - <https://www.gro.gov.uk/>

This collection contains births in DOCKING DISTRICT of Norfolk registered between 1837 and December 1919. It became part of the Fakenham District in 1939. I have extensively researched this district due to my own family connections and the majority of the Whartons registered here are from the villages of Ingoldisthorpe, Bircham Tofts, Ringstead and Thornham. The older Wharton's from this area moved to this district from North & South Lopham (Guiltcross District). ***For the privacy of anyone that might be living any later records are not published. If you wish to view any later dates visit <https://www.gro.gov.uk/> or contact me and I can send you the relevant database in it's entirety.*
